

## EXTERIOR SITE FURNISHINGS

### PURPOSE

1. The general purpose of the Exterior Furnishings Standard is to provide a Standard for contractors, A/Es and FM employees to adhere to when purchasing exterior furnishings to be located on the CMU campus.
2. This Standard is not to be regarded as a specification but as a document providing uniformity in the selection of exterior furnishings.

### GENERAL

The following is the approved Manufacture's and Model numbers for each piece of equipment.
